Asian cosmetics, also has a unique bearing on the culture. Asian cosmetics is more like an art where the human face is the canvas of choice. Every stroke is made to celebrate and enhance the natural beauty that exist in Asian women.

## Fan Clubs

## Fan Clubs

Let's face it, fan clubs are the life line of any successful entertainer. Fan clubs show the world just how in demand an individual artist group, band or duet is and the level of success you have achieved. Your fans actually define your career and are very important to your success. Fans of Asian entertainers continue to be wowed by the talent and versatility of the performers, while still trying to bridge the culture gap.

## Asian Real Estate

## Asian Real Estate

Are you considering the Asian continent as you plan your next move. Well the Asian real estate markets are pretty steady at the moment as with the world markets, however interest in major Asian markets continues to rise. Wherever you currently reside, Asian real estate is sure to offer a different and unique living experience.

Expats moving to Asia will find themselves on a continent that's as vast as it is varied. The striking regional contrasts and extensive differences in terms of ethnicity, culture, history, economy and environment may surprise many – but as the world's largest and most populous continent, little else could be expected.

Above all else, Asia is demanding attention primarily for its economic prowess. Both high-profile emerging economies, like India, and long-respected powerhouses, like China and Japan, are attracting

expats looking to further their career and land positions associated with lucrative salaries.

As it stands a move to Asia seems to be a win, win for those looking for not only a change in surroundings but a complete and total lifestyle change.

## Asian Recipes

### Asian Recipes

SERVES 4-6

#### INGREDIENTS

5 whole cloves  
1 whole nutmeg, slightly crushed in a mortar and pestle  
6-8 red Holland chiles, or 3-4 Thai chiles, stemmed and roughly chopped  
6 small shallots, roughly chopped  
5 candlenuts or macadamia nuts  
3 cloves garlic, peeled  
1 2" piece fresh or frozen turmeric, peeled and roughly chopped, or 1 ½ tsp. ground turmeric  
1 2" piece ginger, peeled and thinly sliced  
1 2" piece galangal, peeled and thinly sliced  
2 lb. boneless beef chuck, cut into 2" pieces  
7 fresh or frozen Kaffir lime leaves, plus 4 very thinly sliced, for garnish  
3 stalks lemongrass, trimmed, smashed with a mallet, and tied into knots  
2 sticks cinnamon  
2½ cups unsweetened coconut milk  
Kosher salt, to taste

#### INSTRUCTIONS

1. Pulse cloves and nutmeg in a food processor until very fine. Add chiles, shallots, nuts, garlic, turmeric, ginger, and galangal; purée until a slightly smooth paste forms, about 2 minutes. Transfer paste to a 12" nonstick skillet with beef; using your hands, mix together.

2. Add 7 lime leaves, lemongrass knots, cinnamon, coconut milk, and salt; bring to a boil. Reduce heat to medium-low; cook, stirring occasionally to prevent coconut milk from scorching, until the consistency of thick pea soup, about 1½ hours. Continue to cook, stirring frequently to prevent burning, until sauce and beef turn a dark caramel color and the sauce coats the beef, 2½-3 hours. Discard whole spices before serving; garnish with thinly sliced lime leaves.
